GLOBE LOGISTICS PARK

Overview

With instant access to the M7, located just 8 minutes from the M9 and within 15 minutes of the M50, Globe Logistics Park is strategically located for international logistics occupiers.

Globe Logistics Park is a new development of two high specification logistics facilities built to the highest standards by Red Rock Logistics. Situated on Monread Road in Naas, Co. Kildare, Globe Logistics Park offers occupiers the ideal location on the M7, with ease of access to Dublin, the M50 and the rest of the country. The Park will be landscaped to the highest modern standards, featuring attractive planting throughout.

Connectivity

Connecting Global & Local Occupiers

Globe Logistics Park offers a unique logistics park setting, situated in a populated area, but with instant access to the M7. The Naas environs are home to more than 2,000 businesses, a strong local labour force and a host of well-known occupiers to include Aldi, Kerry Group, Green Isle Foods, Woodies, Jysk, B&Q and Smyths Toys.

The Developer

Red Rock Logistics is part of Red Rock Developments, a leading multi-disciplinary property development company who bring a dynamic and fresh approach to real estate projects.

The Team has a combined 150 years of experience in the real estate market across the Dublin Residential and wider commercial/alternative sectors. The Sponsor's development pipeline is currently focused on the Logistics, Leisure and Dublin Residential market across several well located sites.

Sustainability

Red Rock's focus on quality, sustainability and efficiency is evident throughout our built portfolio and is at the fore of all new development projects and Globe Logistics Park will be no exception. The buildings are designed with sustainability and environmental performance in mind, creating an overall sense of well-being for the park and it's occupiers.

Both buildings will be targeting a 'best in class' BER Rating of A2

Red Rock are aspiring to achieve LEED's globally recognised Gold certification – a renowned standard for healthy, efficient, carbon saving and cost-efficient green buildings

Members of the Irish Green Building Council. The Irish Green Building Council is one of 80 such councils globally, working to accelerate Ireland's transition to a fully sustainable work environment

Members of the All-Ireland Pollinator Plan (AIPP). Red Rock are committed to taking actions that are recommended by the AIPP to create a space that is pollinator friendly

Swift boxes will be incorporated into the external elevations of each building, providing a safe home for swifts to nest
